

Frankenstein Halloween Mask

Materials

- Elastic string or ribbon (or popsicle stick if you want a mask handle) • Scissors or X-ACTO knife • Hole punch

Instructions

1. Trim away the white areas.
2. Punch a hole on each side of the mask. (If you prefer your mask to be on a handle, glue or tape a popsicle stick to the bottom center of the mask.)
3. Attach a ribbon or elastic cord to the sides of the holes.
